

**A Statement Of Elegance**

Soft, cool, and elegant, the Elite 9000 is in a class of its own. Elite 9000's **painted aluminum wraparound** weathershield is a series of precisely hinged extrusions that roll into a sleek fabric case and provide maximum protection for the fabric.

- **All aluminum weathershield provides maximum fabric protection.**
- Colours are woven in and fade resistant to provide a beautiful appearance on both sides for years to come.
- The Elite 9000 is built with A&E Universal Hardware. Good looking yet rugged and dependable, it's easy to operate and fits virtually any RV.

The colour in this chart should be used as a guide only. For exact fabric colour, see your Dometic A&E Awning dealer.
